

## **Determination to Change Lake Roosevelt National Recreation Area Regulations**

Consistent with applicable legislation and Federal administrative policies, and based upon a determination that such action is necessary for the maintenance of public health and safety, protection of environmental or scenic values, protection of natural or cultural resources, aid to scientific research, implementation of management responsibilities, equitable allocation and use of facilities, or the avoidance of conflict among visitor use activities, the Superintendent makes the following changes to Lake Roosevelt National Recreation Area Regulations.

<b>1. Regulation change:</b>  Beginning at 12:01 a.m. on Monday, April 24, 2017 until further notice, all lands associated with Porcupine Bay Campground located within Lake Roosevelt National Recreation Area will be closed to public use. This closure is due to a landslide of the access road that took place on April 2 which prevents all vehicle access to the campground on the Porcupine Bay road. This area closure includes the shoreline, boat in camping at Porcupine Bay campground and all upland areas.	
<b>2. Previous regulation(s) affected by this change:</b>  2017 Superintendent's Compendium for Lake Roosevelt National Recreation Area.	
<b>3. Date of Adoption:</b> April 24, 2017 12:01 a.m.	
<b>4. Reasons for change:</b>  The emergency closure is designed to protect the public from the hazardous conditions resulting from the Porcupine Bay road landslide and amenities provided to the public will be inaccessible to maintain, creating potential human health conditions.	
<b>5. Effective Date(s):</b> Until further notice.	
<b>6. Authority for adoption:</b> Code of Federal Regulations, 36 CFR, Part 1.5	
<b>Superintendent, Lake Roosevelt National Recreation Area</b>  	<b>Date:</b>  4/21/2017
